

The Itinerary of a Surrendered Life

Through Kathy Bates - ConfrontingTheCulture.com

May 27th, 1990, A.D.

I wrote down a message GOD spoke to me.

"Isaiah 54 Shall Apply" is what it read.

I noted it in a first adult journal and then I went to bed.

28 years went by before someone brought this back to mind.

When I went back to read it, I was amazed by what I'd find.

It was like reading a story of where all I had been.

It even showed my divorce, which I didn't see back then.

I remembered the idea that "I would be moved to a place with a gemstone foundation".

NOW, I know I'd be led to awaken people to a dangerous situation.

I had sought to live a PURPOSED LIFE seeking God's presence every day.

So He could tell us a story and help us find His way.

It's been a challenging but fruitful journey, an alternative path I took.

God then insisted I write an extensive book.

It had been out about a year when the story took a radical turn.

There were urgent things He needed to show me – we have a lot to learn.

Our launch of massive technology is the subject that's caught His eye.

If we don't stop this a lot more things will die!

As it turns out as we arrive at 2023, I found myself thinking about May 27th, 1990, A.D.

How I'm exactly where that chapter in Isaiah said that I would be.

I enjoy looking for God in my story as it assures this isn't "just me".

First thing I notice in 2023, is that journal entry is turning 33.

Realizing this year, 66 years I've been livin'

But realized too I wasn't actually 33 when it was given.

"But wait a minute" my mind ran ahead.

"How many days between those two?" I said.

I could hardly believe the answer when it was shown to me.

3 weeks and 3 days later I turned 33.

One step further, as I look around.

Another set of 3's is what I found.

February 2023 helps me to know.

We arrived here 3 years and 3 months ago.

I can't believe my eyes as I look across the nations.

And see the boundless destruction caused by corporations.

Think of the seeding birds, the flora, and the bee

Living without them is a life we don't wanna see.

So, when I say "I've been sent" to help you see the error in humanity's direction.

I hope you too can see the thumbprint of God and know the information comes with deep affection.

Before I go, I just have one question.

What will it take before WE THE PEOPLE respond,

does this need to be an even bigger lesson?
